

KyQHA Breeders' Incentive Fund Reminder

This is a reminder of several items that must be completed by December 31 to avoid late fees.

A. Stallion Owner/Managers

A copy of your **AQHA Stallion Breeding Report (SBR)** for 2013 should be sent to the KyQHA postmarked no later than December 31, 2013. Ten (\$10) dollars for each eligible mare bred will be due and payable to the KyQHA, and should be sent with the copy. Indicate on the SBR which mares are covered by the payment submitted. The SBR must be postmarked by December 31 to avoid late fees.

*Please be reminded if you select on your Stallion Breeding Report, either hard copy or electronic copy submission, any of the following: a) transported semen; b) cooled semen; c) frozen semen; the Certificate of Registration (COR) for the resulting foal will indicate "Transported Semen". This requires you filing a KyQHA Insemination Certificate (IC) detailing where the insemination occurred. **BY FAR THE MOST PREDOMINANT REASON WHY VERIFICATIONS DO NOT OCCUR IN A TIMELY MANNER IS THE FAILURE TO SUBMIT THE IC.** To prevent later delays of the verification of your client's foals, make sure to submit the KyQHA IC. NOTE AQHA NO LONGER REQUIRES A CIC TO BE FILED WITH AQHA; HOWEVER KYQHA DOES REQUIRE THE INSEMINATION CERTIFICATE TO BE FILED WITH KYQHA. Use the "KyQHA Insemination Certificate" on the web site at www.kyqha.com, then on-line forms, and look under "KyQHA Breeders Incentive."*

All Quarter Horse stallions participating in the KyQHA BIF must have been tested and vaccinated for Equine Viral Arteritis (EVA) previously. KYQHA DOES NOT REQUIRE AN ANNUAL VERIFICATION OF VACCINATION – JUST THAT THE STALLION HAS BEEN TESTED AND VACCINATED PREVIOUSLY. Stallions standing the 2014 breeding season in Kentucky will not be listed on the KyQHA web site until proof of testing and vaccination has been received. Foals of 2014 sired by Kentucky stallions will not be eligible for verification until the sire is confirmed as having been tested and vaccinated for EVA. PREVENT YOUR CLIENTS FROM BEING NOTIFIED THAT THE REASON THEIR FOALS ARE NOT VERIFIED IS BECAUSE THE SIRE HAS NOT MET THIS REQUIREMENT – PLEASE MAKE SURE YOU HAVE SENT TO US VERIFICATION OF TESTING AND VACCINATION.

Stallion owners/agents PLEASE nominate your stallions for the 2014 breeding season. Use the Stallion Nomination Form found on the web site at www.kyqha.com, then on-line forms, and look under "KyQHA Breeders Incentive." The fee is \$300; avoid late fees by postmarking by February 1, 2014.

B. Mare Owners & Foal Owners

Be reminded a **Foaling Verification/Registration Form (Part 1 & 2)** must be submitted to the KyQHA office with a fee of \$50 to be paid no later than December 31 of the year foaled. A late fee is due thereafter. These forms will verify that the foaling occurred in Kentucky, and upon the successful completion of the COR, and verification of information, the foal will be listed on the KyQHA web site as KyQHA BIF verified. Download a copy of the Part 1 and Part 2 form by going to the web site www.kyqha.com, then on-line forms, and look under "KyQHA Breeders Incentive."

All information received to date can be viewed by going to www.kyqha.com and then Check Your BIF Submitted Foals in Process. Once all information has been received and verified, your horse will be posted to: Check Your BIF Horse Verification. You can print a verification certificate from that site.

If you have questions call KyQHA at (888) 367-5742 and leave a message. Your call will be returned. Email your question(s) to: info@kyqha.com.
